

2017 school travel applications now open

Applications are now open for 2017 School Travel Passes via www.transportnsw.info/school-students. Parents, guardians and students are encouraged to apply as soon possible.

Applications are easier to endorse with our new online school portal

All schools are now able to endorse school travel applications quickly and easily online. If your school is not registered for the online portal, email student@transport.nsw.gov.au or call 131 500 and follow the prompts to speak with our onboarding team.

- Press 1 for school and other travel concessions
- Press 1 for school travel
- Press 6 for school staff.

Schools can endorse 2017 applications any time

As soon applications are received, schools can endorse them. Schools registered for the online school portal should go online to endorse and schools that are not registered can fax or post endorsed applications to Transport for NSW. Endorsing applications now will ensure that all students can travel from the start of term one.

If the student changes schools over the school holidays or in the new year, the student or their parent or guardian can simply go online and update the details for their new school.

Information for school orientation

Information for parents, guardians and students can be found online at www.transportnsw.info/school-students.

Electronic copies of brochures and flyers are also available to download from the Useful Forms and Information pages on the school transport scheme website at <https://apps.transport.nsw.gov.au/ssts/usefulFormsAndInformation>.
