

OUT OF AREA APPLICATIONS

Where vacancies exist in a given year, the number of positions available to out of area applications will be determined by the committee, based on a clear set of criteria. There is no implied order established by this listing of criteria. A broad approach, based on the individual application, will form the basis of selection.

Selection Criteria:

1. Demonstrated ability in learning and achieving personal best.
2. Demonstrated special interests and abilities in extra curricular areas which may include sport, visual arts, band, music, drama, dance, technology, debating or public speaking for which the school can cater.
3. Demonstrated leadership, social skills and tolerance displayed in their primary school years.
4. Explanation of how the school will be able to meet the needs of the student in a way that the local school cannot.
5. Establishing the convenience of travel and ease of access to the school.

The Enrolment Committee considers each out of area application on the information supplied and this will help the committee to judge the degree of cultural buy in. This process is competitive as the school has a limited number of places for out of area applications. Therefore, out of area applications need to provide sufficient information to adequately address as many of the selection criteria as possible to be successful.

Consideration may also be given to:

- Students with a physical disability (providing that the school can meet the specific needs of the student).
- Students who currently have a sibling in the school and who, generally, live relatively close to the school.
- Students who nominate Sylvania High School as their first choice in the Department of Education primary school application form.
- Overseas fee paying students approved by the Department of Education and the International Student Centre.
- Students whose demonstrated talents and abilities support the ethos and culture of the school, as determined by the panel.

ENROLMENT OFFICER

The enrolment officer assisting the committee is Mrs Hannigan. Enquiries with regard to enrolment may be directed to Mrs Hannigan in the first instance on (02) 9522 9951 or in writing to the school.

NON LOCAL REQUEST FOR PLACEMENT IN YEAR 7 – 2021

All Year Six students in government primary schools will be issued with a white Expression of Interest form for placement in Year 7 in 2021 at a government school. *These forms must be returned to your current primary school.*

Students living inside the Sylvania High School boundaries are local students and can enrol in this school. All other students are **non-local** and should complete this yellow form. If you are unsure whether you are local to Sylvania High our office is most willing to clarify this for you.

Return this Non Local Request for Placement (yellow) form to Sylvania High School by 20th March 2020.

The school's enrolment committee will use the information provided on the *yellow* Non Local Request for Placement form to determine whether a position will be offered. Please give us as much information as possible so that the panel can give due consideration to your request for placement.
